***RE: TE32.49 Action Ward 13: Construction Staging Area Time Extension - 6-16 Wellesley Street West and 5-7 St. Nicholas Street Ward 13***

Dear Members of the TEYCC:

The BCCA supports the following:

- Transportation Services' request for authorization to extend the duration of the construction staging areas on Wellesley Street West and St. Nicholas Street for an additional 31 months, from July 1, 2022, to January 31, 2025, to allow for the construction of the development to be completed.
- The recommendations of the Director, Traffic Management - Transportation Services, as outlined in the April 1<sup>st</sup>, 2022, report.

We remain confident with the continuation of the good construction management plan that CentreCourt has implemented to date.

Respectfully,

BCCA Executive
