Comments:

Dear Members of Toronto and East York Community Council,

I am writing in regards to TE 34.5 "Renaming of Lower Coxwell Avenue between Queen Street East and Lake Shore Boulevard East."

I am asking you to support the motion to rename Lower Coxwell to Emdaabiimok Avenue.

The area was traditionally used by Indigenous people to travel down to the lake. This proposed name was derived from its literal translation, "where the road goes to the water" and was recommended by the Mississaugas of the Credit First Nation after extensive consultation.

Please do not let a technicality reject this initiative, which is intended as a respectful recognition of the rich Indigenous history in Toronto Danforth and beyond.

Please support renaming Lower Coxwell to Emdaabiimok Avenue.

Sincerely

Darren Goldstein
