For
BOARD OF MANAGEMENT FOR THE 519 CHURCH STREET COMMUNITY CENTRE
For the year ended

Management's Responsibility for the Financial Statements

The financial statements of the Board of Management for the 519 Church Street Community Centre ("The 519") are the responsibility of management and have been approved by the Board.

The financial statements have been prepared in compliance with the Canadian public sector accounting standards for government not-for-profit organizations, including the 4200 series of standards, established by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in Note 2 to the financial statements.

The preparation of the financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The 519's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

The Board of Management is responsible for ensuring that management fulfills its responsibilities for financial reporting. The Board reviews The 519's financial statements and discusses any significant financial reporting or internal control matters prior to the approval of the financial statements.

The financial statements have been audited by Welch LLP, independent external auditors appointed by the City of Toronto's Auditor General's Office, in accordance with Canadian generally accepted auditing standards. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on The 519's financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Council of the Corporation of the

**CITY OF TORONTO AND
THE BOARD OF MANAGEMENT FOR THE 519 CHURCH STREET COMMUNITY CENTRE***Qualified Opinion*

We have audited the accompanying financial statements of The Board of Management for the 519 Church Street Community Centre ("The 519"), which comprise the statement of financial position as at December 31, 2022, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of The 519 as at December 31, 2022 and results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards for government not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, The 519 derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of The 519 and we were not able to determine whether any adjustments might be necessary to donations revenue, fundraising revenue, net revenue over expenses, and cash flows from operations for the years ended December 31, 2022 and 2021, current assets as at December 31, 2022 and 2021, and net assets as at January 1 and December 31, 2022 and 2021. Our audit opinion on the financial statements for the year ended December 31, 2021 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of The 519 in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards for government not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing The 519's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate The 519 or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing The 519's financial reporting process.

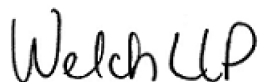

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The 519's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on The 519's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause The 519 to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

BOARD OF MANAGEMENT FOR THE 519 CHURCH STREET COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

1. NATURE OF OPERATIONS

The City of Toronto Act, 1997 continued the provisions of By-law No. 1995 - 0448 dated June 26, 1995 to reflect Chapter 25, Community and Recreation Centres of the Corporation of the City of Toronto Municipal Code. Chapter 25 amended all previous by-laws and established part of the premises at No. 519 Church Street as a community recreation centre under the authority of the Municipal Act, known as 519 Church Street Community Centre ("The 519"). The 519 is a not-for-profit organization and, as such, is exempt from income tax.

The Municipal Code provides for a Council appointed Board of Management which, among other matters, shall:

- (a) endeavour to manage and control the premises in a reasonable and efficient manner, in accordance with standard good business practices; and
- (b) pay to the City of Toronto (the "City") any excess of administration expenditure funds provided by the City in accordance with its approved annual budget, but may retain any surplus from program activities.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

These financial statements have been prepared in accordance with Canadian public sector accounting standards for government not-for-profits ("PSAS-GNFPO"), including the 4200 series of standards, as issued by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada.

Revenue recognition

The 519 follows the restricted fund method of accounting for contributions to funds detailed in Schedule B and The 519 follows the deferral method of accounting for all other contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are recognized and are recorded as deferred contributions on the statement of financial position. Externally restricted contributions for depreciable capital assets are deferred and amortized over the life of the related capital assets. Externally restricted contributions for capital assets that have not been expended are recorded as part of deferred capital contribution on the statement of financial position

Workshop fees, rental and similar revenues are recognized as the services are provided.

Cafe revenues from the restaurant are recognized as earned, upon performance of the service.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash on deposit with financial institutions and savings funds with original maturities of less than three months at the date of acquisition.

Financial instruments

The 519 initially measures its financial assets and financial liabilities at fair value.

The 519 subsequently measures its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash and cash equivalents, short-term investments, and accounts receivable. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

BOARD OF MANAGEMENT FOR THE 519 CHURCH STREET COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2022

2. SIGNIFICANT ACCOUNTING POLICIES - Cont'd.

Contributed material and services

Because of the difficulty of determining their fair value, contributed materials and services are not recognized in the financial statements. Monetary donations are recorded as received.

Capital assets

Capital assets are recorded at cost and contributed capital assets are recorded at fair value at the date of contribution. Amortization is provided on a straight-line basis over their estimated useful lives, as follows:

Computers	- 3 years straight line
Furniture and equipment	- 3 to 5 years straight line
Website	- 10 years straight line
Capital improvements	- 20 years straight line

Employee related costs

The 519 has adopted the following policies with respect to employee benefit plans:

- (a) The City of Toronto offers a multi-employer defined benefit pension plan to The 519's employees. Due to the nature of the Plan, The 519 does not have sufficient information to account for the Plan as a defined benefit plan; therefore, the multi-employer defined benefit pension plan is accounted for in the same manner as a defined contribution plan. An expense is recorded in the period in which contributions are made.
- (b) The 519 also offers its employees a defined benefit sick leave plan, a post-retirement life, health and dental plan, a long-term disability plan and continuation of health, dental and life insurance benefits to disabled employees. The accrued benefit obligations are determined using an actuarial valuation based on the projected benefit method prorated on service, incorporating management's best estimate of future salary levels, inflation, sick day usage estimates, ages of employees and other actuarial factors.

Net actuarial gains and losses that arise are amortized over the expected average remaining service life of the employee group.

The 519 recognizes an accrued benefit liability on the statement of financial position, which is the net of the amount of the accrued benefit obligations and the unamortized actuarial gains / losses.

Use of estimates

The preparation of the financial statements in conformity with Canadian public sector accounting standards for government not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management makes accounting estimates when determining the useful life of its capital assets, significant accrued liabilities, the post-employment benefits liabilities and the related costs charged to the statement of operations. Actual results could differ from those estimates, the impact of which would be recorded in future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and in any future years affected.

Balance, end of year	<u>\$ 86,646</u>	<u>\$ 82,420</u>

7. POST-EMPLOYMENT BENEFITS PAYABLE AND LONG TERM AMOUNT RECEIVABLE

The 519 participates in a number of defined benefits plans provided by the City including pension, other retirement and post-employment benefits to its employees. Under the sick leave plan for management staff with ten years of service as of April 1, 2003, unused sick leave accumulated until March 1, 2008, and eligible employees may be entitled to a cash payment upon leaving The 519's employment. The liability for these accumulated days represents the extent to which they have vested and could be taken in cash by the employee upon termination, retirement or death. This sick bank plan was replaced by a Short-Term Disability Plan (STD) effective March 1, 2008, for all non-union employees of the City of Toronto. Upon the effective date, the sick banks were locked with no further accumulation. Grandfathered management staff remain entitled to payout of frozen, banked time, as described above. Under the new STD plan, management employees are entitled to 130 days annual coverage with salary protection at 100 or 75 percent, depending upon years of service. Non-management employees continue to receive sick bank time as stipulated in the applicable Collective Agreement, which specifies no financial conversion of unused sick leave.

The 519 also provides health, dental, accidental death and disability, life insurance and long-term disability benefits to eligible employees. Depending on length of service and individuals' election, management retirees are covered either by the former City of Toronto retirement benefit plan or by the current retirement benefit plan.

Due to the complexities in valuing the benefit plans, actuarial valuations are conducted on a periodic basis. The most recent actuarial valuation was completed as at December 31, 2022 with projections to December 31, 2024. Assumptions used to project the accrued benefit obligation were as follows:

- long-term inflation rate - 2.0%
- assumed health care cost trends - range from 3.0% to 6.0%
- rate of compensation increase - 3.0% to 3.5%
- discount rates - post-retirement 4.7%, post-employment 4.1%, sick leave 4.2%

Information about The 519's employee benefits, other than the multi-employer, defined benefit pension plan noted below, is as follows:

	<u>2022</u>	<u>2021</u>
Post-retirement benefits	\$ 230,672	\$ 268,775
Add: unamortized actuarial gain	<u>159,314</u>	<u>92,303</u>
Post-employment benefit liability	<u>\$ 389,986</u>	<u>\$ 361,078</u>

BOARD OF MANAGEMENT FOR THE 519 CHURCH STREET COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2022

7. POST-EMPLOYMENT BENEFITS PAYABLE AND LONG TERM AMOUNT RECEIVABLE - Cont'd.

The continuity of the accrued benefit obligation is as follows:

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 361,078	\$ 345,419
Current service cost	37,465	29,444
Interest cost	8,265	4,980
Amortization of actuarial gain	(16,580)	(17,641)
Expected benefits paid	<u>(242)</u>	<u>(1,124)</u>
Balance, end of year	<u>\$ 389,986</u>	<u>\$ 361,078</u>

A long-term receivable from the City of \$389,986 (2021 - \$361,078) has resulted from recording sick leave and post-retirement benefits. Funding for these costs continues to be provided by the City as benefit costs are paid and the City continues to be responsible for the benefit liabilities of administration staff that may be incurred by The 519.

The 519 also makes contributions to the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer plan, on behalf of most of its eligible employees. The OMERS plan (the "Plan") is a defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Employer contributions to this pension plan amounted to \$316,437 in 2022 (2021 - \$297,303).

The most recent actuarial valuation of the Plan as at December 31, 2022 indicates that the Plan is in a deficit position and the Plan's December 31, 2022 financial statements indicate a net deficit of \$6,100 million (a deficit of \$6,678 million plus adjustment of \$578 million of unrecognized investment returns above or below the discount rate that is being smoothed and recognized over a five-year period). The Plan's management is monitoring the adequacy of the contributions to ensure that future contributions together with the Plan's assets and future investment earnings will be sufficient to provide for all future benefits. At this time, The 519's contributions accounted for an insignificant portion of the Plan's total employer contribution. Additional contributions, if any, required to address The 519's proportionate share of the deficit will be expensed during the period incurred.

8. FUNDS PROVIDED BY CITY OF TORONTO - ADMINISTRATION

Funding for administration expenses is provided by the City according to Council approved budgets. Surplus amounts in administration are payable to the City. Deficits, excluding those accruals for long-term employee benefits, are funded by The 519 unless Council approval has been obtained for additional funding.

10. RESERVES, INTERNALLY RESTRICTED

Program reserve

The 519's Program Reserve Policy was established by the Board to ensure the stability of The 519's mission, programs and ongoing operations and to provide a source of internal funds for planned and emerging organizational priorities such as programming, capacity building, special projects, human resource liabilities, and emergency needs. The funds set aside exclude grant funding and other defined contributions. As at December 31, 2022, The 519 had \$582,959 (2021 - \$582,959) set aside in the Program Reserve.

Capital reserve

The 519's Capital Reserve was established by the Board to ensure access to funds required to pay for capital expenses below the \$50,000 to meet its obligations under the Relationship Framework. As at December 31, 2022, The 519 had \$104,567 (2021 - \$104,567) set aside in the Capital Reserve.

11. FUND BALANCES, EXTERNALLY RESTRICTED

Fund balances can be summarized as follows:

	<u>2022</u>	<u>2021</u>
AIDS Vigil (a)	\$ 4,196	\$ 12,267
AIDS Memorial (b)	57,876	54,445

Queer Toronto Literacy Magazine (f)	<u>1,275</u>	<u>-</u>
	<u>\$ 107,911</u>	<u>\$ 124,598</u>

Schedule B to these financial statements reflects the revenue, expenses and surplus of the above noted Fund balances.

(a) AIDS Vigil

This fund was established in 1998 to fund expenditures related to the AIDS Candlelight Vigil. This event is held annually in June to remember those who have died from AIDS.

(b) AIDS Memorial

Since 1990, the Board has accepted donations for the establishment of an AIDS Memorial. This is a joint project between the City, The 519, various funding agencies including other charitable foundations and individual and corporate donors. The AIDS Memorial Fund was established to fund expenditures related to the AIDS Memorial, which is located in Cawthra Park.

(c) Kyle Scanlon Memorial

Created in 2012 as a legacy in memory of Kyle Scanlon, a much-loved trans activist and staffer of The 519. The Kyle Scanlon Memorial Fund is intended to support projects and initiatives important to members of trans communities locally and provincially. In 2018, after community, family and staff consultation, the Board approved the terms of reference for the use of the funds which will begin in 2019.

11. FUND BALANCES, EXTERNALLY RESTRICTED - Cont'd.

(d) Will Munro

Established in 2010 by the friends and family of Will Munro, the Will Munro Fund for Queer and Trans People Living with Cancer will serve as a dedicated emergency relief fund offering financial assistance to LGBTQ people of all ages who are currently living with cancer in Ontario.

(e) Sunday Drop-in Community Fund

Established as a restricted-use fund in 2017, based on a gift from a donor, to provide emergency support and an annual commemorative event and celebration of The 519's Sunday Drop-in (SDI) program participants for a five-year duration.

(f) Queer Toronto Literacy Magazine

Queer Toronto Literary Magazine (QT) is a non-profit dedicated to elevating and celebrating queer voices in Canada. QT was started in response to the shortage of Canadian queer literary magazines. There are many LGBTQ2SIA+ artists out there and maintaining community and connection is vital. QT brings together collective projects to create that sense of shared space. The 519 is the trustee for Queer Toronto Literary Magazine.

12. INTERMEDIARY BALANCES, EXTERNALLY RESTRICTED

Intermediary balances can be summarized as follows:

	<u>2022</u>	<u>2021</u>
ORAD (f)	\$ 6,445	\$ 6,445
HOLA (g)	1,270	1,270

Black Femme Legal (j)	<u>(8,474)</u>	<u>7,082</u>
	<u>\$ 14,517</u>	<u>\$ 29,138</u>

Schedule C to these financial statements reflects the revenue, expenses and surplus of the above noted Intermediary balances.

(f) ORAD

ORAD is a social and support group for Deaf Gay Men, Lesbians, Bisexuals and Trans People. Their project, Austin Unbound, brought the film regarding a Deaf man's choice to get a double mastectomy. The film was followed by a discussion with the filmmaker, Eliza Greenwood about issues faced by Austin. This provided an outreach opportunity to Deaf Transsexual and Transgender people, and an educational event for the membership of ORAD. The 519 acts as intermediary for this fund.

(g) HOLA

Hola is a social and support group for Spanish speaking Gay Men, Lesbians, Bisexuals and Trans People. The project is meant to increase their visibility in the community through supporting their social events and their Pride Week activities. The 519 acts as intermediary for this fund.

(h) Senior Pride Network

The Senior Pride Network is an association committed to promoting the delivery of appropriate positive community and health services for older Gay, Lesbian, Bisexual, Transgender, Transsexual, Intersexed and 2 Spirited people in Toronto. The 519 acts as intermediary for this fund.

(i) Alliance for Equity of Blind Canadians

Alliance of Equality for Blind Canadians is a peer support advocacy organization promoting equal access and participation of the blind, partially sighted and deaf/blind in mainstream society for the "Inclusive Employment Advocacy" Project. The 519 acts as intermediary for this fund.

(j) Black Femme Legal

Black Femme Legal is an award-winning workplace toolkit for Black queer women, femmes and gender diverse folks across the 2SLGBTQI+ spectrum in Ontario needing workplace-related support. The 519 acts as intermediary for this fund.

13. FINANCIAL INSTRUMENTS

The 519 is exposed to and manages various financial risks resulting from operations. Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The 519's main financial risk exposures and its financial risk management policies are as follows:

Credit risk

The 519 is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The 519's maximum exposure to credit risk represents the sum of the carrying value of its cash and cash equivalents, short-term investments and accounts receivable. The 519's cash and cash equivalents and short-term investments are deposited with a Canadian Chartered bank and, as a result, management believes the risk of loss on these items to be remote. Management believes that The 519's credit risk with respect to accounts receivable is limited. The 519 manages its credit risk by reviewing accounts receivable aging and following up on outstanding amounts.

Liquidity risk

Liquidity risk is the risk that The 519 cannot meet a demand for cash or fund its obligations as they become due. The 519's financial liabilities are comprised of accounts payable and accrued liabilities, and trust accounts. The 519 manages its liquidity risk by monitoring its cash flow requirements on a regular basis. The 519 believes its overall liquidity risk to be minimal as The 519's financial assets are considered to be highly liquid.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2022

13. **FINANCIAL INSTRUMENTS** - Cont'd.

i) *Currency risk*

Currency risk refers to the risk that the fair value of instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates. The 519's financial instruments are all denominated in Canadian dollars and The 519 transacts primarily in Canadian dollars. As a result, management does not believe it is exposed to significant currency risk.

ii) *Interest rate risk*

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The 519's cash and cash equivalents and short-term investments earn interest at prevailing market rates. As a result the interest rate exposure related to these financial instruments is a result of interest rate movements.

iii) *Other price risk*

Other price risk refers to the risk that the fair value of financial instruments or future cash flows associated will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market. The 519 is not exposed to significant other price risk.

Changes in risk

There have been no significant changes in The 519's risk exposures from the prior year.

15. **CONTINGENCIES**

In February 2023, The 519 identified that certain taxable benefits were incorrectly reported on employees' statements of remuneration for the past several years. The 519 initiated a process to analyze and correct the taxable benefit amounts on the statements of remuneration for the affected employees and determining the costs to employees required to have previously filed personal income tax returns reassessed. As at the date of the audit report, a provision of \$100,000 has been accrued in the financial statements as part of accounts payable and accrued liabilities on the statement of financial position.

Board of Management for the 519 Church Street Community Centre
519 Church Street
Toronto, Ontario
M4Y 2C9

PRIVATE AND CONFIDENTIAL

Attention: Ms. Maura Lawless,
Executive Director

Dear Maura:

Re: Audit of the December 31, 2022 Financial Statements

During the course of our audit of the financial statements of the Board of Management for the 519 Church Street Community Centre ("The 519") for the year ended December 31, 2022, we identified some matters which may be of interest to management.

The objective of an audit is to obtain reasonable assurance whether the financial statements are free of material misstatement and it is not designed to identify matters that may be of interest to management in discharging its responsibilities. In addition, an audit cannot be expected to disclose defalcations and other irregularities and it is not designed to express an opinion as to whether the systems of internal control established by management have been properly designed or have been operating effectively.

As a result of our observations, we outlined matters below along with some suggestions for your consideration.

Please note that under Canadian generally accepted auditing standards we must report significant deficiencies to those charged with governance.

This letter is not exhaustive, and deals with the more important matters that came to our attention during the audit. Minor matters were discussed verbally with your staff.

Issue #1 - Indication of review of bank reconciliations

During the course of our audit, we noted that bank reconciliations are being prepared on a monthly basis however there is no evidence that the bank reconciliations are being reviewed and approved. In discussion with the Director, Finance, we were told the bank reconciliations were being reviewed and approved but no documentation of this was provided for us to verify. We recommend bank reconciliations be initialed when reviewed to provide evidence of the review. This can be done either by initialing a hard copy or indicating review and approval digitally.

Issue #2 - Petty cash

During the course of our audit, we noted that the petty cash balance at year end is negative. Management should ensure that any policies and procedures in place with respect to petty cash are followed by the staff. We recommend that the Centre ensure that petty cash balances are reconciled on a monthly basis, where possible. Additionally, we recommend that each petty cash be counted at least annually by a person in the finance department and that the count be reconciled to the balance expected to be on hand as well as the balance per the general ledger.

We would like to express our appreciation for the co-operation and assistance which we received during the course of our audit from your staff.

We shall be pleased to discuss with you further any matters mentioned in this report at your convenience.

This communication is prepared solely for the information of management and is not intended for any other purpose. We accept no responsibility to a third party who uses this communication.

Yours very truly,

Welch LLP
