The Mayor directs the City Manager and Chief Financial Officer to:

1. Present to the Budget Committee, separately from the rest of the proposed 2023 annual budget, the following budgets in which the Mayor has declared an interest, as follows:
 - a. As a result of the Mayor's role as trustee and director of certain entities within the Rogers family structure which controls Rogers Communications Inc. (RCI), which provides telephone and cellular services, and other services to the City and might have an interest in any changes to the operation of BMO Field affecting its tenants, he is declaring an interest in:
 - i. the 2023 Information and Technology Operating Budget;
 - ii. the 2023 Toronto Police Services Budget, the Toronto Transit Commission Budget and the Toronto Community Housing Corporation Budget in each case as it relates (and only as it relates) to funds for telephone, wireless and internet services; and
 - iii. out of an abundance of caution, the 2023 Exhibition Place Budget as it relates to capital funds for BMO Field

Out of an abundance of caution, the Mayor confirms that at no point has he provided input or direction to City Staff concerning those interests, nor to any specific or general provision of funding for telecommunications budgets.

Directed on January 9, 2023.
