COMMENTS

Composition of the Toronto Global Board

Toronto Global is in the process of transitioning from a current eight-member private sector Board of Directors to a combined 12-to-15 member public-private Board of Directors that will include representation from Toronto Global's government funding partners, including the City of Toronto. As a Principal Contributor, The City of Toronto is entitled to two seats on the Board for:

- the Mayor of Toronto or designate appointed by the Mayor
- one public member appointed by City Council.

Term of Office

The term for office for public members is generally three years and members serve until their successors are appointed. Based on the current funding agreement between the City of Toronto and Toronto Global, the first public member appointed to Toronto Global will serve a term of office beginning June 19, 2023 and ending March 15, 2025 and until a successor is appointed.

This process is the first time that City Council will appoint a member of the public to this board.

Public members must satisfy certain eligibility requirements

To be eligible for appointment to the board, directors must meet the eligibility requirements set out in the City's Public Appointments Policy. In addition, under the Canada Not-for-profit Corporations Act, directors are disqualified from the board if they are:

- anyone who is incapable;
- a person who is not an individual; and
- a person who has the status of a bankrupt.

Public members should meet certain qualifications

In addition to the eligibility requirements above, the public members should collectively represent a range of skills, knowledge and experience in the following:

- Executive level experience in a major public or private organization;
- Expertise in any of Toronto Global's target sectors: advanced manufacturing, life sciences, technology, financial services, food and beverage, and/or clean energy;
- Experience working with or in Toronto Global's target markets: the United States, Western Europe (UK and Germany), India and Asia (South Korea, Japan);
- Experience and/or understanding of economic development and foreign direct investment(FDI);
- Experience working, expanding and/or developing international market access at a C Suite level;
- Strong leadership skills and knowledge of good governance;
- Commitment to equity, diversity and inclusion.

We have consulted with staff

Public Appointments staff consulted with staff from Economic Development & Culture who are the City's liaison with Toronto Global to discuss Toronto Global's mandate, the work of the board, the skills and qualifications the City should be looking for, and how the first public appointee to the board can best support the vision and goals of Toronto Global.

Public members do not receive remuneration

The board members do not receive remuneration, but are entitled to be paid their reasonable expenses properly incurred in the performance of their duties as board members, including their travel and other expenses incurred by them in connection with carrying out the activities of the Corporation.

Outreach was conducted for this vacancy

The opportunity to join the Toronto Global Board was included in a city-wide outreach campaign launched in early December 2022. This recruitment includes online ads, the use of LinkedIn, and outreach via the Public Appointments e-update list.

Next steps - Interviews

Once the Civic Appointments Committee has selected candidates for interviews, the City Clerk's Office will contact the candidates to schedule them for 15 minute interviews. Five interviews plus deliberations will take approximately 1.5 hours to complete.
