## **DECISION HISTORY**

On July 7, 2021, a Zoning By-law Amendment application was submitted for two infill residential rental buildings of 11-storeys (37.4 metres) and 15-storeys (48.4 metres) in height with 5 metre tall mechanical penthouses, resulting in an additional 45,416 square metres of residential gross floor area on the subject site in addition to the existing 34-storey rental apartment building which would remain. The existing building contains 330 units (with 11 units to be demolished) and the proposed 11-storey building would contain 311 units while the 15-storey building would contain 310 units, all resulting in a total of 940 units. The application was deemed complete as of July 7, 2021.

A pre-application meeting was held on March 9, 2021 with City staff to discuss the proposed redevelopment.

On February 16, 2022, the Applicant appealed the Zoning By-Law Amendment Application to the OLT due to Council not making a decision within the 90-day time frame under the *Planning Act*.

On May 11, 2022, City Council adopted a Request for Direction report from the Director, Community Planning, North York District, and directed the City Solicitor together with appropriate City staff to attend the OLT to oppose the Zoning By-law Amendment application in its current form and to continue discussions with the applicant to resolve issues outlined in the report. The OLT conducted a first case management conference on July 12, 2022, during which it granted party status to the 500 Duplex Coalition. The 500 Duplex Coalition consists of the Eglinton Park Residents' Association, the Lytton Park Residents' Organization, the 500 Duplex Tenant's Association, and the nearby housing cooperative. A ten-day hearing is scheduled to commence on June 19, 2023.
