

Copyright in this drawing is the property of the Architect. Any use of this drawing, reproduction by any means from any media without prior written approval of the Architect is to be used for information only. The Architect is not liable for any loss or disturbance of information resulting from subsequent reproduction of this original drawing.

- GENERAL NOTES:**
1. Drawings are not to be scaled. Contractor will verify all existing conditions and dimensions required to perform the Work and will report any discrepancies with the Contract Documents to the Architect before commencing work.
 2. The Mechanical Drawings are to be read in conjunction with all other Contract Documents including the Project Manual and the Structural, Mechanical and Electrical Drawings. In case of difference between the Contractor's documents with respect to the quantity, class or scope of work, the greater shall apply.
 3. Positions of support or finished Mechanical or Electrical devices, fittings and fixtures are indicated on the Architectural Drawings. Locations shown on the Architectural Drawings shall govern over Mechanical and Electrical Drawings. Mechanical and Electrical items not clearly located will be located as directed by the Architect.
 4. Dimensions shall stand as a guide between the faces of finished surfaces unless otherwise noted.
 5. The architect has not been retained for supervision of construction and assumes no responsibility for means, methods and techniques of construction.
 6. These documents are not to be used for construction unless specifically noted for such purpose.
