

Supplementary Report - Appointment of Public Members to the Committee of Adjustment

Date: October 6, 2023

To: City Council

From: City Clerk

Wards: All

SUMMARY

The purpose of this report is to recommend a start date of October 19, 2023 for the candidates being recommended for appointment to the Committee of Adjustment. This start date will ensure continuity of the members currently appointed to the Committee of Adjustment for hearings scheduled on October 18, 2023.

RECOMMENDATIONS

The City Clerk recommends that:

1. City Council amend the lead-in sentence of Nominating Panel - Committee of Adjustment Recommendation 1 by inserting the words "starting on October 19, 2023, and" after the words "term of office" so that the lead-in sentence in Recommendation 1 now reads:

1. City Council approve the following candidates to the Committee of Adjustment for a term of office starting on October 19, 2023, and ending November 14, 2026, and until successors are appointed.

FINANCIAL IMPACT

There are no financial implications arising from this report.

DECISION HISTORY

At its meeting on September 14, 15, and 18, 2023, the Nominating Panel - Committee of Adjustment recommended that City Council appoint 35 candidates to the Committee of Adjustment for a term of office ending November 14, 2026, and until successors are appointed:

COMMENTS

Delayed effective start date for newly appointed Committee of Adjustment members

In consultation with City Planning Staff, we recommend adding an effective start date of October 19, 2023 for the candidates being recommended for appointment to the Committee of Adjustment in order to ensure that the current members, who are appointed until successors are appointed, are available for the hearings scheduled on October 18, 2023. There is not adequate time to train the new members in advance of the hearings schedule on October 18, 2023 and this effective start date will allow for continuity.
