### **Re: 4888 Dundas Street West (Musson House) - Notice of Intention to Designate a Property under Part IV, Section 29 of the Ontario Heritage Act**

Dear Members of the Toronto City Council,

I would like to express the Etobicoke Historical Society's support of the staff report recommending designation of the property at 4888 Dundas Street West under Part IV, Section 29 of the Ontario Heritage Act.

Commonly known as the "Musson House", 4888 Dundas is one the oldest structures in Islington providing an important link to the village's past as a commercial centre for Etobicoke. The building was home to one of Islington's first post offices and later of one of its earliest telephone exchanges.

The board of EHS strongly supports the Intention to Designate 4888 Dundas Street West as an important step in preserving this important heritage property.

Thank You,

*Mireille Macia*

President, Etobicoke Historical Society
