Dear Members of City Council,

**Re: Item IE7.8 - Connected Communities: Advancing Year-Round Trails between
Earl Bales Park and York Mills Station**

SAHRA is asking for your support on item IE7.8 - Connected Communities: Advancing Year-Round Trails between Earl Bales Park and York Mills Station.

Such a trail would support active transportation (pedestrians and cyclists) either for recreational means or for travelling in the city including connection to the subway at York Mills Station. A year-round trail would enable safer transportation away from vehicles, and contribute to a reduction vehicular traffic and greenhouse gas production.

SAHRA asks that you vote in favour of IE7.8 so that City staff can follow through on this proposal.

Yours sincerely,
