Heather Taylor
Chief Financial Officer
City of Toronto

Dear Heather Taylor:

Re: Capacity of Institutions Information for the year 2022

I am pleased to provide you with updated capacity of institution(s) information in your municipality provided to us by the particular ministry designated for each institution.

As you may recall, we experienced challenges in the last couple of years in obtaining up-to-date hospital capacity numbers as the result of the ongoing response to the COVID-19 situation. To ensure your municipality is able to receive this letter in a timely manner, most of the capacity information for hospitals is based on 2021 data this year. The Ministry of Health is working to obtain the most up to date and accurate capacity numbers and we have received more recent data for some of the hospitals in your municipality.

Each organization listed in the table below is identified with the year on which the capacity number is based. If we obtain additional updates for hospitals in your municipality for 2022, we will forward that information separately at a later time.

In accordance with the current regulations, your municipality may levy an amount up to \$75 per rated capacity designated for each institution listed below. The levy amount is provided in the right-hand column.
