Comments:

I truly believe that there is no place for a private spa in a place that has belonged to Ontarians for so long. The idea of our tax dollars going to a private organization's parking lot for 2,500 cars is obscene! Ontario Place should be kept for the public. Exhibition Place is a very good alternative and, as pointed out, has all the necessary infrastructure to support a MegaSpa.

Ontario Place should always belong to the public as it was intended by Premier William Davis and his visionary architect Eb Zeidler!
