### Re: No Stopping on Driftwood Ave

To the Chair and Members of Etobicoke York Community Council:

#### **BACKGROUND:**

Residents have contacted me concerned about the safety on Driftwood Ave near Venetian Cres. Recent Vision Zero markings have narrowed the available roadway at the intersection, additionally parked cars and a busy bus route on Driftwood Ave have created a situation that is both dangerous and frustrating for all road users. Recently, City of Toronto staff have moved to install "No Parking" signs through delegated authority, however to make the situation safer I am recommending installation of a "No Stopping" prohibition.

#### **RECOMMENDATIONS:**

Etobicoke York Community Council recommends that:

1. City Council prohibit stopping at all times on both sides of Driftwood Avenue between Yewtree Boulevard and London Green Court.
2. City Council rescind the existing parking prohibition in effect at all times on the west side of Driftwood Avenue between Finch Avenue West and a point opposite the northerly limit of Futura Drive.
3. City Council rescind the existing parking prohibition in effect from 7:00 a.m. to 7:00 p.m., Monday to Saturday on the east side of Driftwood Avenue between a point opposite the northerly limit of Yorkwoods Gate and Finch Avenue West.
4. City Council prohibit parking at all times on the west side of Driftwood Avenue between a point opposite the northerly limit of Futura Drive and London Green Court.
5. City Council prohibit parking at all times on the west side of Driftwood Avenue between Yewtree Boulevard and Finch Avenue West.
6. City Council prohibit parking in effect from 7:00 a.m. to 7:00 p.m., Monday to Saturday on the east side of Driftwood Avenue between a point opposite the northerly limit of Yorkwoods Gate and London Green Court.
7. City Council prohibit parking in effect from 7:00 a.m. to 7:00 p.m., Monday to Saturday on the east side of Driftwood Avenue between Yewtree Boulevard and Finch Avenue West.
8. Request that the Director, Traffic Management, Transportation Services, in consultation with other relevant stakeholders, review parking regulations, pedestrian and traffic safety of Driftwood Ave, between Finch Ave and Grandravine Dr, with consideration to potential future capital improvements.

Sincerely,

Anthony Perruzza
