Date: September 18, 2023
To: Members of Etobicoke York Community Council
Subject: Implementation of Permit Parking on Longbourne Drive between Willowridge Road and Redgrave Drive

I request that the following item be added to the Etobicoke York Community Council Agenda.

SUMMARY

The purpose of this motion is to assist with the implementation of permit parking on Longbourne Drive. Residents in the nearby community have expressed interest in permit parking due to limited parking availability in the area. This motion will exempt the implementation of Permit Parking on Longbourne Drive, between Willowridge Road and Redgrave Drive from the requirements of subsection 925-4B of City of Toronto Municipal Code Chapter 925, Permit Parking. As there are no residential properties fronting Longbourne Drive between Willowridge Road and Redgrave Drive, a motion is required at Etobicoke York Community Council for City Council to exempt this block from the polling requirements.

RECOMMENDATIONS

1. City Council exempt the implementation of Permit Parking on Longbourne Drive, between Willowridge Road and Redgrave Drive from the requirements of subsection 925-4B of City of Toronto Municipal Code Chapter 925, Permit Parking, until such time as Etobicoke York Community Council considers a request for implementation of Permit Parking at this location.

Thank you for your consideration.

Sincerely,

Vincent Crisanti
City Councillor
Ward 1, Etobicoke North
