Re: No Stopping on Strathburn Blvd

To the Chair and Members of Etobicoke York Community Council,

Residents and the local school Principal have contacted me concerned about the safety on Strathburn Blvd outside of St. Simon Catholic School. Strathburn Blvd is lined with cars each morning and afternoon as many parents drop off and pick up their children and this has created a hectic and dangerous situation. Recently I moved a motion to install an All-Way Stop control at Melody and Strathburn to work to make the situation safer for families going to and from the school. With the addition of the stop sign, the parking regulations in front of the school must be re-visited. Therefore I am recommending the committee rescind the existing patchwork of parking regulations and prohibit stopping directly in front of St. Simon Catholic School.

RECOMMENDATIONS:

1. Etobicoke York Community Council
 - a. Rescind the existing parking prohibition in effect at all times on the west side of Strathburn Boulevard, between a point 48 metres south of Wallasey Avenue and a point 30 metres further south.
 - b. Rescind the existing parking for a maximum period of 15 minutes from 8:00 a.m. to 9:00 a.m. and 3:00 p.m. to 4:00 p.m., Monday to Friday on the west side of Strathburn Boulevard, between a point 78 metres south of Wallasey Avenue and a point 39 metres further south
 - c. Rescind the existing parking prohibition in effect at all times on the west side of Strathburn Boulevard, between a point 117 metres south of Wallasey Avenue and a point 20 metres further south.
 - d. Rescind the existing stopping prohibition in effect at all times, Monday to Friday, on the west side of Strathburn Boulevard, between a point 137 metres south of Wallasey Avenue and a point 13 metres further south.
 - e. Prohibit stopping at all times, on the west side of Strathburn Boulevard, between a point 48 metres south of Wallasey Avenue and a point 150 metres further south.

Sincerely,

Anthony Perruzza
City of Toronto Councillor
