Re: Parking Regulation Amendments – Wilby Crescent

SUMMARY:

I am requesting your support to amend the parking regulation along both sides of Wilby Crescent from a point 35 metres south of Weston Road and the south easterly limit of Wilby Crescent. Residents of 10 Wilby Crescent have contacted my office complaining/reporting of illegal parking of unplated and plated vehicles and parts of vehicles parked/left along both sides of Wilby Crescent. These vehicles belong to the automotive repair shops and body shop operating on Wilby Crescent. I have had meetings with the business owners advising them of the issues and requested that they operate within the City of Toronto's parking bylaws, unfortunately the issues persist.

RECOMMENDATION:

1. Etobicoke York Community Council prohibit parking at all times on both sides of Wilby Crescent, between a point 35 metres south of Weston Road and the south easterly limit of Wilby Crescent.

Sincerely,
