Re: Traffic Calming Measures on Burnhamthorpe Road between Kipling Ave and Dundas

Dear Chair and Members of Etobicoke York Community Council:

Summary

In response to safety concerns raised by residents on Burnhamthorpe Road, including a town hall that was attended by 100 plus residents I request that Transportation Services staff conduct a study of traffic calming measures on Burnhamthorpe Road between Dundas Street West and Kipling Avenue to determine the feasibility of reducing the speed limit to 40km/h, and with consideration of any other appropriate measures. Burnhamthorpe Road is a major arterial with residential frontages on both sides

1. Etobicoke York Community Council request the Director, Traffic Management, Transportation Services, to investigate the feasibility of traffic calming measures on Burnhamthorpe Road between Dundas Street West and Kipling Avenue with respect to revised warrant criteria for traffic calming, and report back to the January 2024 meeting of Etobicoke Community Council.

Sincerely,

Councillor Amber Morley
