

## **Ontario Place Redevelopment - Declaration of Surplus**

**Date:** April 19, 2023

**To:** General Government Committee

**From:** Executive Director, Corporate Real Estate Management

**Wards:** 10 - Spadina-Fort York

### **SUMMARY**

---

The purpose of this report is to seek authority for the City of Toronto (the "City") to declare surplus City-owned parcels of land and water located at Ontario Place as described in Attachment 1 (the "City Property") with the intended manner of disposal to be by way of a land exchange with His Majesty the King in right of Ontario (the "Province"). City Council authority for the proposed land exchange will be sought in a separate report in the next reporting cycle, subject to City Council approval of this report.

As per Toronto Municipal Code, s. 213-1.3, it is necessary to declare surplus the City Property before proceeding with the land exchange. Under Toronto Municipal Code, s. 213-1.6, authority to declare City property surplus has been delegated to the Deputy City Manager, Corporate Services unless the local Councillor requests the matter to be determined through the appropriate standing committee, which is the case in this instance.

### **RECOMMENDATIONS**

---

The Executive Director, Corporate Real Estate Management recommends that:

1. City Council declare surplus the City-owned parcels of land and water located at Ontario Place and described in Attachment 1 (the "City Property"), with the intended manner of disposal to be by way of agreements to exchange real property with His Majesty the King in right of Ontario as represented by the Minister of Infrastructure and His Majesty the King in right of Ontario as represented by the Minister of Natural Resources and Forestry, as the Chief Planner and Executive Director of City Planning and the General Manager of Parks, Forestry and Recreation have confirmed that the land being exchanged is (i) nearby land of equivalent or larger area and (ii) of comparable or superior green space utility, and all steps necessary to comply with the

City's real estate disposal process as set out in Article 1 of City of Toronto Municipal Code Chapter 213, Real Property, be taken.

## **FINANCIAL IMPACT**

---

There are no financial implications resulting from this approval.

The Chief Financial Officer and Treasurer has reviewed this report and agrees with the financial implications as identified in the Financial Impact section.

## **DECISION HISTORY**

---

At its meeting on February 3rd, 2022, City Council adopted *EX29.5 Ontario Place Redevelopment - Priority Areas for Collaboration and Development Approvals Process*, which directed staff to continue negotiations with the Province of Ontario on a potential transaction related to City-owned lands and water at Ontario Place, and to report back to City Council for the necessary approval prior to the execution of any real estate transaction with permanent impact on City-owned real estate interest.

## COMMENTS

---

### Ontario Place Redevelopment Process

In 2019, City Council provided direction to staff to contemplate the rationalization of land ownership matters at Ontario Place and Exhibition Place as part of Item 2019.TE5.27, "Ontario Place Revitalization - Results of Subcommittee Consultation, Guiding Principles and Next Steps."

As outlined in the previous Council report Item 2022.EX29.5 "Ontario Place Redevelopment - Priority Areas for Collaboration and Development Approvals Process", the Province is currently undertaking a redevelopment of Ontario Place.

To facilitate this redevelopment, Infrastructure Ontario approached the City to discuss the acquirement of the City Property consisting of approximately six acres of City-owned land and approximately ten acres of the City-owned water at Ontario Place, as described in Attachment 1 and shown in Attachment 2.

### City-owned Lands and Water at Ontario Place

In February 2022, through Item 2022.EX29.5 "Ontario Place Redevelopment - Priority Areas for Collaboration and Development Approvals Process", City Council authorized Corporate Real Estate Management, in consultation with City Planning and Parks, Forestry and Recreation, to continue negotiations with the Province on terms and conditions on the potential acquirement of City-owned lands and water at Ontario Place.

Since then, City staff and the Province have negotiated the key terms and conditions of the acquirement for the City Property, subject to obtaining City Council's authority, that addresses the Province of Ontario's real estate interests to advance the development of Ontario Place, in addition to increasing the City's real estate holdings along the waterfront.

As directed by City Council via Item 2022.EX29.5, the Executive Director, Corporate Real Estate Management will seek City Council approval prior to the execution of any real estate related agreements as it concerns City-owned real estate interests.

A two-step process will facilitate the land exchange: the first part is procedural in nature and the second part is the real estate transaction itself. Under the Toronto Municipal

Code, s. 213-1.3, in order to proceed with the land exchange involving the City Property described in Attachment 1 and shown in Attachment 2, first it is necessary to declare surplus the City Property. Under the Toronto Municipal Code, s. 213-1.6, following consultation with the local Councillor, the Councillor may request the matter to be determined by City Council through the appropriate standing committee. As per engagement with the local Councillor, staff are seeking City Council authority to declare surplus the City Property.

If City Council opts to not proceed with the declare surplus as recommended by City staff, the Province will likely pursue other means available, such as expropriation, to acquire the City Property at Ontario Place. In this scenario, the City may not receive the Provincially-owned lands negotiated by City staff.

The request for authority to proceed with the declare surplus and subsequent land exchange is occurring in parallel with the development application process, as both the City and the Province require approximately four to six months to complete the necessary due diligence and closing processes to complete this land transaction. The Province has indicated a desire for the City Property to be transferred to Provincial ownership by December 31, 2023.

## **CONCLUSION AND NEXT STEPS**

---

City staff have worked with the Province to negotiate a mutually beneficial land exchange that is in accordance with the City's Official Plan. Declaring the City Property surplus is a necessary and preliminary step to completing the proposed land exchange. City Council authority for the proposed land exchange will be sought in a separate report in the next reporting cycle, subject to City Council approval of this report.
