Dear Mr. Elvidge,

Re: Administrative Inquiry Regarding Sale of BAI Subway Telecom Infrastructure to Rogers Communications

Councillor Fletcher submitted an Administrative Inquiry to City officials to seek information on cellular and Wi-Fi service on the TTC as it relates to the sale of BAI Canada to Rogers Communications.

Authority and responsibility for TTC cellular and Wi-Fi service, as well as contracts for providers to deliver these services, are within the jurisdiction of the TTC. The City is not a party to any contract to deliver cellular or Wi-Fi service on the TTC system. The TTC Chief Executive Officer has provided the attached briefing note which provides information related to Councillor Fletcher's questions.

Sincerely,

City Manager
