Appendix 6: Congestion Management Plan Historical Summary

The City's first Congestion Management Plan (CMP) was prepared for the period 2014-2018, and then updated for the period of 2016-2020. Building off of the foundation put in place through the CMP, the Congestion Management Interim Action Plan 2021-25 (MoveTO) was proposed.

Multiple accomplishments have taken place as part of the CMP over the years. This appendix provides a summary of previous reports and updates provided.
