

CITY OF TORONTO

NOTICE IS GIVEN THAT THE COUNCIL OF THE CITY OF TORONTO WILL CONSIDER WHETHER TO PASS A BY-LAW TO AUTHORIZE THE NAMING OF PROPOSED PUBLIC STREET

CITY OF TORONTO ACT, 2006 - PUBLIC NOTICE

TORONTO CITY COUNCIL

Toronto City Council will consider the following recommendation from the General Manager, Transportation Services, to name a proposed public street located between Lake Shore Boulevard and Keating Channel as, "Cherry Street", as part of its consideration of item IE7.5 titled "2023 Road Openings and Closures in the Port Lands":

1. City Council grant an exemption to section 3.6 of the Street Naming Policy, which states, "Streets that have been named, renamed, or assigned a Ceremonial Name or whose names have been reviewed within the previous ten years will generally not be renamed or reviewed" and direct staff to report in 2024 regarding a name for the existing Cherry Street and renaming "New Cherry Street" to "Cherry Street" as part of a broader engagement on place names in Villiers Island with Treaty partners and urban Indigenous communities.

The plan showing the lands to be affected may be seen on the Infrastructure and Environment Committee agenda online at <https://secure.toronto.ca/council/agenda-item.do?item=2023.IE7.5>

The Infrastructure and Environment Committee of Toronto City Council will hear in person, or by their counsel, agent or solicitor, any person who claims that his or her lands will be prejudicially affected by the naming and who applies to be heard with respect to the proposed naming.

To obtain additional information, submit comments or address the Infrastructure and Environment Committee meeting on October 25, 2023, please contact the following City official no later than 4:30 p.m. on October 24, 2023.
