RE: IE2.5 Regarding the Gardiner East Project

Dear Infrastructure & Environment Committee,

As Chair of the Infrastructure and Environment Committee, I have previously asked for further information regarding the Gardiner rehabilitation program as part of the 2023 Budget process.

In advance of debating this item at the upcoming meeting, I am submitting the Q&A on the Gardiner Rehabilitation Program for Committee members to reference on this item, including and to help inform the discussion at the meeting.

Thank you in advance for reviewing these important facts.

Sincerely,

A handwritten signature in black ink that reads "JMcKelvie".
