Re: IE3.7 - High Park Movement Strategy - Final Report

Dear Deputy Mayor McKelvie,

At the upcoming Infrastructure and Environment Committee meeting, the committee will consider IE3.7 - High Park Movement Strategy - Final Report. As we have discussed, I ask that you move the following motion on my behalf:

City Council approve full closure (option 1) as the long term strategy for travel network improvements in High Park. As an interim measure, City Council approve the partial closure (option 3) and direct the General Manager, Parks, Forestry and Recreation to continue the full closure of High Park to private visitor vehicles on Saturdays, Sundays and statutory holidays, exclusive of Spring Road parking lot, on an ongoing basis.

Please confirm your review and agreement to move this motion.

Best,  
Gord
