IE9.10 - Reducing Bird Deaths by Turning off Lights during Migration

Hello,

I, Clyde Robinson, in speaking on behalf of the Ashbridge's Bay Nature Stewards support Councillor Dianne Saxe's recommendation of Nov. 19, 2023, that being:

"City Council direct the City Manager to resume the cost-saving and bird-life-saving practice of turning off unnecessary lights on city property during bird migration seasons."

We further propose that this be carried out throughout the entire year.

Thank you,
Clyde Robinson
