

## City Council

### Motion without Notice

MM3.23	ACTION			Ward: 10
--------	--------	--	--	----------

#### **43 Tank House Lane - Liquor Licence Application Old Flame Brewing Co. - License 1987901 - by Councillor Ausma Malik, seconded by Councillor Gord Perks**

*\* This Motion has been deemed urgent by the Chair.*

*\* This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.*

#### **Recommendations**

Councillor Ausma Malik, seconded by Councillor Gord Perks, recommends that:

1. City Council direct the City Solicitor to bring forward a Motion to the Licence Appeal Tribunal to obtain party status, at the earliest opportunity with respect to the Premises.
2. City Council authorize the City Solicitor to attend all proceedings before the Licence Appeal Tribunal in this matter and be directed to take all necessary actions so as to give effect to this Motion, including adding conditions to any liquor licence issued for the Premises, in consultation with the Ward Councillor.

#### **Summary**

An application has been submitted to the Alcohol and Gaming Commission of Ontario for a liquor licence at the premises at 43 Tank House Lane operating under the name Old Flame Brewing Co. (the "Premises"). The application is for an indoor and outdoor area. This Motion requests that City Council direct the City solicitor to bring forward a Motion to the Licence Appeal Tribunal to obtain party status should the matter be appealed to the Licence Appeal Tribunal. The application for a liquor licence is not in the public interest unless certain conditions, addressing the concerns of the community, are attached to the licence.

This Premises is located in close proximity to residential units. There are concerns related to noise, litter, safety, and other potential disturbances to residents in the area. If conditions are put in place, these concerns may be mitigated. Under no circumstance should the establishment be granted a liquor sales license without conditions attached.
