**Supporting Locally-Based Community Health and Well-Being Projects:
The Rhema Foundation Canada's Mobile Community Learning Kitchen -
by Councillor James Pasternak, seconded by Councillor Jamaal Myers**

** Notice of this Motion has been given.*

** This Motion is subject to referral to the Economic and Community Development Committee. A two-thirds vote is required to waive referral.*

Recommendations

Councillor Pasternak, seconded by Councillor Myers, recommend that:

1. City Council direct the Executive Director, Social Development, Finance and Administration to explore funding opportunities to support the creation of The Rhema Foundation Canada's Mobile Community Learning Kitchen and report to these opportunities to the Economic and Community Development Committee by the second quarter of 2023.

Summary

The Rhema Foundation Canada has served residents in York Centre and across the Greater Toronto Area for many years through their tireless work of ensuring the well-being of communities are met by establishing that basic necessities are both accessible and attainable. Their Mobile Community Learning Kitchen project would connect people across socio-economic and cultural backgrounds into a space where food skills training, food and nutrition literacy and community health can develop and thrive. Addressing food scarcity is one of Toronto's urgent challenges.
