2. Summary

On April 6, 2022, through adoption of MM42.16 Advancing the Legacy Art Project Inspired by Terry Fox, City Council authorized the transfer of \$340,907 in Section 37 funds to Waterfront Toronto for implementation of the Legacy Art Project Toronto at 439 Queens Quay West to commemorate the legacy of Terry Fox. The project is a collaboration between the City of Toronto, Waterfront Toronto and the non-profit Legacy Art Project Toronto foundation which has raised hundreds of thousands of dollars in support of the project, with the backing of the Terry Fox family.

The City has entered into a delivery agreement with Waterfront Toronto. An opportunity has arisen to repair and upgrade an existing accessibility ramp leading into the space by using the same contractors Waterfront Toronto has hired for the main project. Funding of \$75,000 is

available through Parks, Forestry and Recreation's 2023 Capital Budget and 2024-2032 Capital Plan, in the "Various Buildings and Parks Accessibility Program" sub-project. This motion would give authority to transfer the funds to Waterfront Toronto to complete the work, and to amend the delivery agreement accordingly. The artwork will be completed as part of the project and become part of the City's Public Art collection administered by Economic Development and Culture.
