MM2.1 Request for Metrolinx Accountability and Financial Compensation Regarding the Ongoing Construction Delays of the Eglinton Crosstown - by Councillor Mike Colle, seconded by Councillor Josh Matlow

Dear Mayor Tory and Members of City Council

This is to confirm our strong support for the Motion. Our members associations have been participating in Community Liaison Committees established by Metrolinx across the 19 kilometre LRT line since the project began, but have generally been disappointed in the reluctance to provide information about strategic matters such as the timelines for completion.

The recent revelations are extremely disappointing. Thanks to Councillors Matlow and Colle for raising this matter.

Yours truly,

Geoff Kettel

Its members, all residents' associations, include at least 170,000 Toronto residents within their boundaries. The residents' associations that make up FoNTRA believe that Ontario and Toronto can and should achieve better development. Its central issue is not *whether* Toronto will grow, but *how*. FoNTRA believes that sustainable urban regions are characterized by environmental balance, fiscal viability, infrastructure investment and social renewal.
