Dear Mayor and Councillors,

I am very concerned about the upcoming deadline in December 2023 to repay the Canada Emergency Business Account (CEBA).

The penalty of not being able to pay it back in full is \$20,000.

Many businesses, myself included, are not in the position to come up with the repayment amount of \$40,000 by December 2023 and we will be forced to take on more debt. Small businesses need the city to have our backs.

Please support Councillor Paula Fletcher's motion 2023.MM6.1.

Best regards,
