DECISION HISTORY

According to Municipal Code Chapter 19, appointments to BIA Boards of Management expire with the term of Council. In an election year, BIAs are required to elect nominees for appointment for the next Board of Management term at an Annual General Meeting (AGM).

To date, two (2) BIAs within the North York Community Council area have held Annual General Meetings (AGMs), elected Boards of Management for the 2023-2026 Council term, and submitted Applications for Nomination to the BIA Office. North York Community Council has authority to appoint these nominees.

The membership of the Bayview Leaside BIA voted to increase the size of their Board of Management from six (6) to eight (8). An amendment is required to Schedule A of Municipal Code Chapter 19, to update the number of directors.

COMMENTS

There are five (5) BIAs within the geographic area of the North York Community Council. This report recommends appointments to two (2) BIAs that have held their 2022 Annual General Meetings (AGMs) and elected directors to their Boards of Management. Applications for Nomination have been provided to the BIA Office for each of the nominees in accordance with the Municipal Code.

The nominees listed in Recommendation 1 meet the requirements for membership of a BIA Board as set out in Chapter 19 of the Municipal Code.

Appointments to the remaining three (3) BIAs will be included in a subsequent report.

Council members are appointed by right-of-office to the boards of BIAs in their wards.

The appointment of five (5) directors to the Yonge-Lawrence Village BIA Board of Management will result in one (1) vacant position. The appointment to this vacant position will be addressed in a subsequent report.
