To North York Community Council,

Toronto is one of the fastest growing cities in North America and yet the recent iteration of the Federal Electoral Districts Redistribution removes one of our wards (Don Valley East), which will result in less representation for our constituents. As a Councillor for residents in North York, Ward 18, Willowdale, I strongly object to this plan that could eventually reduce Toronto City Council by one seat.

Councillor Lily Cheng recommends that:

1. City Council strongly express its objection to the plan to change the Ward and Riding boundaries which could eventually reduce Toronto City Council by one seat.
