Speed Limit Reduction – Langbourne Place

Dear Mr. Green,

Langbourne Place is a local road with two way traffic extending west from The Donway W. to a dead end. The speed limit for roads of similar nature in the vicinity is 40 km/h. I have heard from concerned residents about vehicles regularly exceeding the speed limit on Langbourne Place and I am requesting that the speed limit be reduced from 50 km/h to 40 km/h, to bring it in line with its other local roads in North York.

Recommendation:

1. North York Community Council reduce the speed limit from 50 km/h to 40 km/h on Langbourne Place, between The Donway West and the west end of Langbourne Place.

Sincerely,

Jon Burnside
City Councillor
Ward 16, Don Valley East
