

## **Parking Amendments - Weetwood Street**

**Date:** April 28, 2023

**To:** North York Community Council

**From:** Director, Traffic Management, Transportation Services

**Wards:** Ward 8 - Eglinton-Lawrence

### **SUMMARY**

---

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

Transportation Services is recommending that parking be prohibited on the west side of Weetwood Street, from the 1st to 15th of each month, April 1 to November 30. It is also recommended that parking be prohibited on the east of Weetwood Street, from December 1 of one year to March 31 of the next and from the 16th to the end of each month, April 1 to November 30. Currently, parking is allowed for up to three hours on both sides of Weetwood Street which results in two-way traffic being obstructed.

The proposed alternate side parking prohibitions will promote safe and efficient two-way traffic.

### **RECOMMENDATIONS**

---

The Director, Traffic Management, Transportation Services recommends that:

1. North York Community Council prohibit parking from the 1st to 15th day of each month, April 1 to November 30, inclusive, on the west side of Weetwood Street, between Old Orchard Grove and the north end of Weetwood Street.
2. North York Community Council prohibit parking from December 1 of one year to March 31 of the next following year and from the 16th to the last day of each month, April 1 to November 30, inclusive, on the east side of Weetwood Street, between Old Orchard Grove and the north end of Weetwood Street.

## **FINANCIAL IMPACT**

---

The signage costs associated with the proposed amendments are approximately \$800. Funding is available within the Transportation Services 2023 Operating Budget.

## **DECISION HISTORY**

---

This report addresses a new initiative.

## **COMMENTS**

---

The Ward Councillor, on behalf residents of Weetwood Street, requested alternate side parking be signed on Weetwood Street to address traffic congestion.

### **Existing Conditions**

Weetwood Street is characterized by the following conditions:

- It is a two-lane, north-south local roadway
- It operates two-way on a pavement width of approximately 8.5 metres
- The speed limit is 40 km/h
- Heavy trucks are prohibited at all times
- There is no TTC service
- There are no sidewalks

The parking regulations on Weetwood Street are as follows:

### **Both sides**

- Three hour maximum parking limit (unsigned statutory)

### **Proposed Changes**

The proposed alternate side parking prohibitions on Weetwood Street will promote safe and efficient two-way traffic.

A map of the area and proposed parking amendments is included in Attachment 1.

The Ward Councillor has been advised of the recommendations of this staff report.
