Re: 23 Laurentia Crescent – Request for a Fence Exemption Application (Ward 6)

To the Chair and Members:

At its meeting on June 20, 2023, the North York Community Council refused an application for a fence exemption at 23 Laurentia Crescent. However, the homeowner's representative did not have the opportunity to present long-term landscaping plans and all safety-related alternatives erected in contrast to the required pool fence.

The Local Councillor requests that the item be re-opened at the September 7, 2023, North York Community Council meeting. This motion then requests the aforementioned agenda item to be reconsidered, with given notice, at the next North York Community Council meeting scheduled for October 17, 2023.

Recommendations:

It is recommended that the North York Community Council:

1. Re-open Item NY6.20, titled "23 Laurentia Crescent - Request for a Fence Exemption", adopted by the North York Community Council on June 20, 2023.
2. Direct that the Item be considered at its next meeting on October 17, 2023, and that Notice be given in accordance with Municipal Code Chapter 447, Fences.

Sincerely,

Councillor James Pasternak
