Dear Chair and Council Members:

Re: All-way compulsory stop at Curlew Drive and Rialto Drive

I have heard from area residents about traffic safety concerns on Rialto Drive and Curlew Drive. Specifically, the speed of vehicles and the danger of crossing the road.

Many residents have suggested the need for a three-way stop sign at Curlew Drive and Rialto Drive. There currently exists a two-way stop sign on Rialto Drive at the intersection, but not Curlew Drive. It has become busy enough to warrant a three way stop.

I recommend:

1. North York Community Council authorize an all-way compulsory stop control at the intersection of Curlew Drive and Rialto Drive/Private Access.

Sincerely,

Jon Burnside
