Dear Chair and Members,

**Re: All-Way Stop Control,
Maxome Avenue and Wedgewood Drive/Ruth Avenue.**

BACKGROUND:

Residents have reported issues concerning right-of-way designations between north/southbound and east/westbound drivers. The community has requested the installation of an all-way stop control to address this problem. Therefore, I am requesting the installation of all-way stop control at the intersection of Maxome Avenue and Wedgewood Drive/Ruth Avenue.

RECOMMENDATION:

It is recommended that:

1. North York Community Council authorize all-way compulsory stop control at the intersection of Maxome Avenue and Wedgewood Drive/Ruth Avenue.

Respectfully,

Lily Cheng
Councillor, Ward 18, Willowdale
