Toronto Preservation Board,

We are writing on behalf of our client, Odette Bitton, (CB 25 Ontario Inc.), the owner of the properties at 25, 33, and 35 Kensington Avenue, to express objection to the proposal to include those properties in the Heritage Register.

If there are any questions please contact us. We would appreciate being kept posted on any actions by the Preservation Board / City of Toronto that could affect these properties.

Thank you.
