Hello,

Thank you for circulating CN the proposed project mentioned in subject.

CN Rail does not have any comments concerning the amendment to allow for the development of St.Clair-Old Weston SmartTrack / GO Transit station. However , the CN clearance envelope should be maintained throughout the station construction. Signs and lighting fixtures placed on the platform can encroach into the clearance envelop, is it important to not overlook these details.

Best regards,

Alexandre Thibault, B.Sc. Urb
