Hello,

Thank you for sending Enbridge notice of this project. B&A is the land use planning consultant for Enbridge's Liquid Pipeline Network across Canada. On behalf of Enbridge, we work with municipalities and stakeholders regarding planning and development in proximity their liquid pipeline infrastructure to ensure that it occurs in a safe and successful manner.

Based on a review of the project materials provided, we have identified that there are likely to be no impacts on Enbridge's nearby liquid pipeline infrastructure therefore, **Enbridge has expressed no objections to this project as proposed.**

Although there are no objections to this project as proposed, we would like to remind you to always obtain a locate request to identify the precise location of underground infrastructure. In addition, if any future planning or development work is proposed within the prescribed area or pipeline assessment area as identified in the attached map we request that this information be sent to notifications@enbridge.com for our review and comment.

Do not hesitate to contact me with any questions or comments. We appreciate receiving your referrals and look forward to continuing to receive them at notifications@enbridge.com for our review and comment.

Thank you,
