Hello Matthew,

Thank you for sending Enbridge notice of the City-initiated Zoning By-law amendments to simplify and modernize regulations in low-rise residential zones. B&A is the land use planning consultant for Enbridge’s Liquid Pipeline Network across Canada. On behalf of Enbridge, we work with municipalities and stakeholders regarding planning and development in proximity their pipeline infrastructure to ensure that it occurs in a safe and successful manner.

Please find attached our response to your circulation letter for application # **23 216168 CPS 00 OZ**.

Do not hesitate to contact me with any questions or comments. We appreciate receiving your referrals and look forward to continuing to receive them at notifications@enbridge.com for our review and comment.

Thank you,

Zane
