The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Cameron Watt on October 26, 2022.

A longtime resident of Beaches-East York and volunteer coach for the East York Baseball Association, Cameron is remembered not only for his love for the game but – more importantly – his unconditional mentorship and dedication to community. He will be missed greatly by friends and neighbours.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Cameron's family.
