

***Expression of Condolence for
Walter Elliot Craig Carr by Toronto City Council***

Moved by: Councillor Mike Colle

Seconded by: Councillor Anthony Perruzza

Toronto City Council is deeply saddened to learn of the passing of Walter Elliott Craig Carr on September 6, 2022, at the age of 49.

Walter was born in Toronto and stayed in the city that he loved throughout his life. He married his loving wife of twelve years, Danielle, and raised his children, Ryan and Alice, who were the light of his life.

Throughout his life, Walter was always active in his local community and always willing to pitch in. He brought his energy and passion into volunteering and was always thinking of others to improve the community. He was dedicated to his Neptune Drive community with ongoing efforts to improve children's safety and was very supportive of neighbourhood policing. He and Danielle were always working to improve local education and keeping their local school open for neighbourhood children.

One of Walter's great passions was hockey, particularly following the Toronto Maple Leafs.

Walter will be deeply missed by all of his family, nieces, nephews, and friends.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Walter's family.
