

***Expression of Condolence for
Antonio (Tony) Ferrovicchio by Toronto City Council***

Moved by: Councillor Mike Colle

Seconded by: Councillor Frances Nunziata

Toronto City Council is deeply saddened to learn of the passing of Antonio (Tony) Ferrovicchio on November 3, 2022.

Tony settled in Toronto in 1951 with his father, Domenico, having left his home country of Italy. He worked hard to support his mother and siblings who later joined him, making Toronto their home. Settling into his new life in the City, Tony worked numerous jobs including in the construction industry and also became a licensed driving instructor and taught many others how to drive. Tony joined his friend, Frank Bernardo and his brother-in-law Alfredo Antenore, in establishing a funeral home in the Dufferin and Lawrence community in the mid-1960's, the Bernardo Funeral Home, which continues to serve the community today.

Always with a smile, Tony will be remembered for his generosity, his work ethic, and his readiness to help anyone in need. He was passionate about bowling, loved soccer, and enjoyed playing card games with his friends at their local social club.

He is now re-united with his adoring wife, Bruna, and will be deeply missed by his children, Domenic (Vanessa) and David, as well as his sisters and many grandchildren, nieces, and nephews.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Tony's family.
