Anthony ‘Tony’ La Regina by Toronto City Council***

Moved by: Councillor Mike Colle

Seconded by: Councillor Anthony Perruzza

The Members of Toronto City Council are deeply saddened to learn of the passing of Anthony ‘Tony’ La Regina on March 4, 2023, at the age of 63.

Tony will be deeply missed by Vickie, his wife of 38 years, his children Mario (Ashley) and Matthew (fiancée Jessica), his grandchildren, Mariangela and Arianna, his brother Joe, sisters Gemma and Laura, and his many nieces and nephews who knew him as ‘Uncle Tony.’ Tony will be missed most of all by his loving mother, Teresina, who was very proud of her son and his achievements.

Tony is remembered for being gregarious, friendly, and generous with everyone. His smile, laugh, and warm spirit always brightened up the room he was in.

Tony had a very successful career as a business consultant where he specialized in mass transit projects. He was a member of the Municipal Property Assessment Corporation where he presided over many complex property tax assessment appeals. As a volunteer board president for a condominium association, Tony saw no task as too big or too small, felt a strong responsibility to all who lived in the building, and was always eager to help out. His dedication and thoughtfulness was admired by many who knew him.

Tony was also a long-time volunteer and advocate for people in need of kidney transplants. His energy and passion to make positive change are evident through all of the lives that he touched and he is remembered as an exemplar of what it means to be active in one’s local community.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Tony’s family.
