

***Expression of Condolence for
Angela Pannozzo by Toronto City Council***

Moved by: Councillor Mike Colle

Seconded by: Councillor Anthony Perruzza

The Members of Toronto City Council are deeply saddened to learn of the passing of Angela Pannozzo on March 9, 2023, at the age of 78.

Angela was beloved wife to Giovanni, her late-husband of 54 years. She will be missed by her three sons, Joe (Anne), Nino (Angela), and Lucio (Kerry Ann), and her siblings Assunta, Francesca, Elvira and Paulo, her five grandchildren, three great-grandchildren, and many nieces and nephews.

Angela left her hometown in Lazio, Italy at the age of 18 to immigrate to Canada, arriving at Pier 21 in Halifax. Angela later moved to Toronto where she settled and made Eglinton-Lawrence her home and raised her family. She spent 35 years as a Chef at the Granite Club and her culinary skills were like no other. Angela was known for her tiramisu and delicious cookies which she loved to share.

Angela was also a community activist and demonstrated what it meant to get involved in the community and be a strong voice for others. Angela was a model immigrant woman who raised her family and ensured her children received the best education opportunities possible which led them to successful careers. Her strength and resilience is a shining example of what it means to come to this great City, work hard, and build a fulfilling life for oneself and family.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Angela's family.
