Re: Traffic Calming (Speed Humps) – Fallingbrook Road, between Clonmore Drive and Kingston Road

Dear Chair and Members,

BACKGROUND:

This segment of Fallingbrook Road runs along the east side of Blantyre Park. As the park is a popular destination for people of all ages in both winter and summer, there is an increased amount of pedestrian and vehicular traffic in the area. Over the years, residents of Fallingbrook Road have repeatedly expressed serious concerns for the safety of pedestrians, especially children, due to speeding on the street.

Therefore, I support the implementation of traffic calming.

RECOMMENDATION:

It is recommended that:

1. Scarborough Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Fallingbrook Road, between Clonmore Drive and Kingston Road.
2. Scarborough Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install three speed humps on Fallingbrook Road, between Clonmore Drive and Kingston Road, generally as shown on the attached Drawing TC-140, dated April 2023 from the Director, Traffic Management, Transportation Services.

Sincerely,

Gary Crawford
Councillor, Ward 20
Scarborough Southwest
