Scarborough, ON M1P 4N7

**RE: New Business Regarding the Intersection at Collinsgrove Road and Kingston Road**

Dear Chair and Council Members,

In response to concerns from community members regarding the intersection of Collinsgrove Road and Kingston Road, I recommend that:

1. The Scarborough Community Council request the Director, Traffic Management, Transportation Services to investigate and report to Scarborough Community Council in the first quarter of 2024 on potential safety improvements to the intersection of Kingston Road and Collinsgrove Road, including the potential for a signalized intersection.

I have consulted with Transportation staff, and I ask you to adopt this recommendation.

Sincerely,

Deputy Mayor Jennifer McKelvie  
Toronto City Councillor, Ward 25 Scarborough – Rouge Park
