RE: ST2.1 – Council Member Appointments to Committees, Boards, and External Bodies: Final Requests for Consideration

Dear Chair and Vice Chair,

I am requesting your consideration to continue my tenure as a member of the Toronto Police Service Board (TPSB) and have listed my final requests for the consideration of the Striking Committee:

- TPSB, Member
- Planning and Housing Committee, Member
- Toronto Seniors Housing Corporation, Member
- Audit Committee, Member
- Greater Toronto Airports Authority (GTAA) Consultative Committee, Member
- Exhibition Place Board of Governors, Member
- Canadian Film Centre Board of Directors, Member
- Film, Television and Digital Media Advisory, Member
- General Government Committee, Member

As a Board member of the TPS, myself along with Vice Chair Nunziata and Councillor Cheng have invested significant time in learning about the complexities of police governance and policing, engaging with the public on community safety concerns, and supporting ongoing police reform work aligned with the Board's priorities.

I respectfully request that you keep the above factors in mind and acknowledge the challenges in shifting membership at this time as it may destabilize the TPSB and as a result, impact the capabilities of the Board to effectively serve Torontonians.

Sincerely,

Vincent Crisanti
