Date: November 14, 2022
To: Toronto and East York Community Council
From: Director, Permits and Enforcement, Transportation Services
Wards: Ward 11 - University-Rosedale

SUMMARY

As the Toronto Transit Commission (TTC) operates a transit service on Avenue Road, City Council approval of this report is required.

The purpose of this report is to respond to City Council's direction to review and report back on the realignment of Permit Parking Area 5E to exclude the development located at 110-116 Avenue Road.

Staff have determined the realignment of the Permit Parking Area 5E is feasible and has no objections to excluding the development located at 110-116 Avenue Road. If City Council excludes this address from the subject Permit Parking Area, residents and visitors of this address will be prohibited from participating in the on-street permit parking program.

COMMENTS

Transportation Services received a request from City Council to realign Permit Parking Area 5E, to exclude the development located at 110-116 Avenue Road.

Permit Parking Area 5E is bounded by Dupont Street, Avenue Road, Roxborough Street West and Ramsden Park Trail to the north, Yonge Street to the east, Bloor Street West to the south and St George Street to the west. The boundary places a finite limit on the on-street parking space availability. Area 5E has 520 on-street parking spaces. To date, 472 permits have been issued for Area 5E.

This permit area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of spaces. However, it is expected that an increase in on-street parking demand would occur if additional development applications are approved within the eligible area, as residents, guests, tradespeople and caregivers may seek additional parking supply outside of that provided by the development.

The exclusion of the development located at 110-116 Avenue Road is a means to ensure that residents who are currently eligible to apply for a permit continue to have access to on-street parking space. Including the development, results in an increase in demand with no change in supply. Such development can be expected to negatively impact the limited on-street parking supply in the Area 5E neighbourhood.

A map of Permit Parking Area 5E is included in Attachment 1.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 110-116 Avenue Road from permit parking in Permit Parking Area 5E forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.

Transportation Services has no objections to the exclusion of 110-116 Avenue Road from Permit Parking Area 5E.

The Ward Councillor has been advised of the recommendation in this report.
