All-Way Stop at Lankin Blvd and Judith Dr

Dear Toronto and East York Community Council,

Lankin Boulevard is a two-way north-south residential street near Coxwell Avenue, between Memorial Park Avenue and O'Connor Drive. Judith Drive is an east-west street which intersects with Lankin Blvd. Residents of the community contacted my office expressing serious concern for pedestrian safety in their neighbourhood and requested an all-way stop at this intersection. I have polled the community and local residents support the installation of an all-way stop at Lankin Blvd and Judith Dr.

I hope I can count on your support for this recommendation.

Recommendation:

1. Toronto and East York Community Council authorize an all-way compulsory stop control at the intersection of Lankin Boulevard and Judith Drive.

Sincerely,

Paula Fletcher
